REF: ABU DHABI 1769 AND PREVIOUS

1. UAE President Shaykh Zayid publicly announced on 4/20 that the UAE Red Crescent Authority (RCA) would fully equip six Iraqi hospitals with all necessary medical supplies and equipment, and donate 12 ambulances to the Iraqi health sector. The RCA aid delegation that arrived in Iraq on 4/11 (see Abu Dhabi 1791) has identified a particular need for black fever serum, and testing systems for cholera and malaria.

12. According to press reports, the RCA already has contacted international pharmaceutical companies to purchase these items and large quantities of other medicines. Comment: The RCA has requested Post's assistance in facilitating this shipment to Iraq, either by air or by sea. We will seek to coordinate this effort with the RCA through the Humanitarian Operations Center (HOC) in Kuwait, and provide further details when we receive them. End comment.
